

III JORNADA CIENTÍFICA CENTRO DE BIOTECNOLOGÍA Y GENÓMICA DE PLANTAS (CBGP – UPM-INIA)

23 de Septiembre de 2011

Salón de Actos del CBGP (UPM-INIA), Campus de Montegancedo UPM

9:30 – 9:45 **Opening and Welcome**
D. Fernando García-Arenal (CBGP Director)

1ST session **Chair: Carlos del Pozo**

9:45 – 10:15 **Pilar Carbonero**
Biotechnology and Genomics of Seeds

10:15 – 10:45 **José Manuel Palacios**
Genes, signals, and functions in the *Rhizobium*-legume symbiosis

10:45 – 11:15 **Luis Gómez**
Environmental tree biotechnology: Old genes for new tasks

11:15-11:45 **Coffee Break**

2nd session **Chair: Pablo Rodríguez-Palenzuela**

11:45 – 12:15 **Fernando García-Arenal**
Virulence, defences, and plant-virus co-evolution

12:15 – 12:45 **Miguel Angel Torres**
Functional Characterization of the Plant NADPH-Oxidases

12:45 – 13:15 **Juan Imperial**
Genomics and Biotechnology of Plant-Associated Diazotrophic Bacteria (GeBioPAD)

13:15 – 15:00 **Lunch – Buffet**

3rd session **Chair: Isabel Allona**

15:00 – 15:30 **Fernando Ponz**
Plant Virus Biotechnology

15:30 – 16:00 **Isabel Díaz**
Plant proteases, their inhibitors and identification of novel insecticidal molecules

16:00 – 16:30 **Manuel Piñeiro**
Chromatin-mediated control of plant development

16:30 **Closing and Drinks**
